

SHOW YOUR COLORS WITH THE NEW RAINBOW LTD. EDITION

OUR START TO THE CHARITY SUMMER #austrialpingoescharity.

The colors of hope were our inspiration for the colorful Rainbow Limited Edition. Freely according to the motto: Be unmistakable on the rock and do good at the same time! Because, we are partnering with the Austrian Children's Cancer Aid and donating 5€ per Rainbow set sold to support children with cancer and their families. Join us in making a difference with our vibrant **RAINBOW FISH amplified braking device** and **RAINBOW ELEVEN sets of 6!**

RAINBOW FISH SET amplified braking device

Just like his brothers, the FISH is an amplified braking device for single ropes with a diameter of 8-11mm which securely catches every fall. Pulling out on the unique dorsal lever to release the rope brings you smoothly back to solid ground. The FISH comes with the colorful HMS RONDO Slide Autolock.
