A promotional graphic for a live event. It features a hand holding a black and red ski binding against a dark background. To the right, the text "GRAB THE COBRA" is written in large, white, bold letters. Below this text is a red YouTube play button icon. At the bottom right, it says "Live at MILIPOL PARIS NOVEMBER 14 to 17, 2023".

## COBRA® NG. BRAND NEW. NEXT STOPP MILIPOL

### WITH AUSTRIALPIN INNOVATIONS ON TOUR

No sooner have we returned from A+A in Duesseldorf than we're off to the next trade fair. From November 14 to 17, **Milipol**, the *International Trade Fair for Homeland Security and Safety*, will open its doors in Paris. The four-day trade fair brings together security experts, professionals, decision-makers and technology providers from all over the world and is the ideal place to discuss the latest challenges in the security industry and discover innovative solutions. We have our brand new products and components with us and present them briefly here:

### COBRA® NG QUICK RELEASE with Triple Lock for even more safety

The brandnew COBRA® NG QUICK RELEASE is a safety buckle equipped with an innovative **Triple Lock System**. It is manufactured from high-strength polymer in an injection molding process. Its special design makes it extremely robust and resilient.

### TRIPLE LOCK FEATURES

The locking mechanism makes an accidental opening of the buckle nearly impossible and is confirmed by a distinct 'clicking' sound. A release under tension is impossible.
