

LONG DELIVERY TIMES AND POSSIBLE DELIVERY DATE POSTPONEMENTS

Unfortunately, the global pandemic is increasingly leading to longer delivery times and delays due to the lack of supply of raw materials.

In conjunction with the continuing high demand for AUSTRIALPIN products, this may lead to postponements of delivery dates for existing orders and very long delivery times for new orders.

This applies in particular to new orders for COBRA® components coated with our High Performance Coating (HPC).

Since our delivery times are already significantly longer and, according to current forecasts, will continue to increase, we ask you to plan your orders much longer in advance and coordinate them with us as early as possible.

We will do our best to keep the delays at a minimum, but we appreciate your understanding.

If you have any questions regarding the delivery times of your existing orders, please do not hesitate to contact us.

With best regards,
Your AUSTRIALPIN team
