

WE OFFER YOUR CUSTOMERS MORE!

Innovative and high quality safety equipment made in Tyrol.

For 25 years AUSTRIALPIN has been producing metal mountaineering and safety equipment. From the raw material to the final product - AUSTRIALPIN develops and manufactures in the midst of the mountains of Tyrol with the highest standards of product quality and safety.

The advantages for your customers are obvious: Products from AUSTRIALPIN are

- innovative, high quality and reliable,
- are produced locally and with renewable energies and
- leave as small a footprint as possible on our planet.

Arguments that are more important than ever for your customers in today's world.

If you are also interested in our products, you can now [request](#) the **AUSTRIALPIN price lists** for the year 2022 from us.

Just send a short e-mail to sales@austrialpin.at and we will send you all the information about the **current product range and prices for 2022**.

We look forward to hearing from you!
Your AUSTRIALPIN team

The new Data Protection Law of the European Union (GDPR) sets new standards for the transparency and responsibility of companies which work with and process personally provided data. We take this opportunity to inform you about the protection of your personal data as well as about the rights you have as regards receiving this newsletter.

The protection of your data of great importance to us. Thus, it goes without saying that the personal data you provide us with is not supplied to any third party. You can at any time make use of your right to correct (update) the data, obtain information regarding the data or delete the data. Simply send us an e-mail with your specific request to datenschutz@austrialpin.at.

In what context, to what extent and for which purposes we and our business associates process the data obtained from you, can be found in our [Data Protection Declaration](#).
