**We celebrate 25 years of AUSTRIALPIN with our anniversary FISH!**

25 years of celebrating gravity. 25 years of AUSTRIALPIN. It's been a blast – this calls for a celebration! And because we've been swimming against the tide by conviction for 25 years, we also came up with something very special for this occasion! May we present: our bad boy anniversary FISH! True to the motto "black is the new gold", our shark FISH comes in an elegant black with a nice anniversary laser design.

### **FISH LTD. EDT. | amplified braking device set**

incl. HMS RONDO Slide Autolock with Selfie (hardcoated)

Like our established GOLD FISH, our anniversary FISH is an amplified braking device set for single ropes with an additional dorsal lever to release the rope, which ensures a comfortable handling.

With its unrivaled 68 grams it is perfectly suitable for ropes with a diameter of 8-11mm. In case of a fall, it blocks automatically and without additional manual force. Together with the HMS RONDO Slide Autolock, the world's fastest autolock carabiner with a special anodized coating for more robustness, our FISH is the perfect partner for a safe belaying.

With our FISH, you will for sure feel like a fish in the water! In this sense: Let's raise our glasses! To many more beautiful years!
