

PRICE LIST & PRODUCT RANGE 2021

More than ever: We are "Made in Austria"

Next year AUSTRIALPIN celebrates its 25th anniversary. We have taken this as an occasion to look back and to reflect on our own roots and values. Summarized in one sentence this means: AUSTRIALPIN stands more than ever for "Made in Austria"!

Focus on in-house production

Since its foundation in 1996 AUSTRIALPIN stands for independence and first-class quality products, which are not only developed but also produced locally. In the future, however, we will focus even more on our core competence - metal processing in the Stubaital - and will therefore no longer offer ropes as well as alpine slings in 2021.
