

ALL-CLEAR FOR AUSTRIALPIN SHIPMENTS.

AUSTRIALPIN's Maillon Rapide screw chain links are not affected by the safety warning.

PEGUET RAPIDE SAS has been able to further narrow down the Maillon Rapide quick links affected by the safety warning through individual laser marking on the locking portion of the quick links within the batch number A.19.04.

We have been informed by PEGUET RAPIDE SAS that AUSTRIALPIN has not received any MAILLON RAPIDE 8mm (RG08) from the ones affected by the safety warning.

Therefore, the Maillon Rapide screw chain links (Art.No.: RG08) supplied by AUSTRIALPIN and the other AUSTRIALPIN products in which they are installed do not need to undergo any additional safety inspection.

Currently, PEGUET is still researching the cause of the crack in the surface of a Maillon Rapide 8mm. We will keep you informed of further findings and results of the investigations.
