

Important notice for all clients, suppliers and partners.

Possible upcoming actions due to the Corona virus.

Dear partners!

currently there are no confirmed infections of the corona virus among the AUSTRIALPIN staff. However, due to the fast course of action to control the epidemic there can be constraints and even a stop of our operational procedure in the upcoming days.

We will of course keep you informed about further developments and kindly ask for your understanding that we care deeply about the control of the corona virus to not further endanger peoples lives and to keep the negative effects on our economy to a minimum.

Take care!
